From the Desk of Santa Claus:

To:

I am so proud of you, I know you are on my **NICE** list this year, and I have a very special elf that has been busy building your toys this year.

Thank you for being so well behaved, and please remember to get to bed early on Christmas Eve, I am very excited about your gifts, and I want to bring them as soon as I can.

Keep being good!

Merry Christmas!

Love,

Santa Claus
